

Scholarship Opportunities: Canada

The first section of this document contains a detailed list of scholarships for Canadian citizens in Canada/United States. The second part of this document lists scholarship opportunities that allow Canadian citizens to go abroad. For a complete list of all scholarship opportunities for Canadians and non-US citizens, visit the UNC Strive database (strive.unc.edu) and select "[non-US citizens](#)" in the filters.

Scholarships for Canadian Citizens in Canada/United States

Spotlight:

[James C. Gaither Junior Fellows Program](#)

One year fellowship to work as a research assistant for a Carnegie senior scholar.

[Knight-Hennessy Scholars Program](#)

Any program at Stanford University. Includes MBA, JD, MC, etc.

[McCall MacBain Scholarships](#)

The McCall MacBain Scholarships draw outstanding students from Canada and around the world to pursue a funded master's or professional degree in a variety of disciplines at McGill University, combined with a comprehensive enrichment program. Candidates must have Canadian citizenship, permanent residency, or refugee status in Canada.

[Pierre Elliott Trudeau Foundation Fellowship](#)

Each year, the Foundation awards up to fifteen scholarships to Canadian and foreign doctoral candidates pursuing research related to one of its four founding themes: Human Rights and Dignity, Responsible Citizenship, Canada in the World, and People and their Natural Environment. Fellows must be nominated by their universities.

[American Historical Association Albert J. Beveridge Grant for Research in the History of the Western Hemisphere](#)

Supports research in the history of the Western Hemisphere (United States, Canada, and Latin America). Preference will be given to advanced doctoral students, non-tenured faculty, and unaffiliated scholars, and to those with specific research needs, such as the completion of a project or a discrete segment thereof.

[American Musicological Society \(AMS\) Howard Mayer Brown Ph.D. Fellowship](#)

Fellowships support minority scholars and teachers in musicology who are members of a group historically underrepresented in the discipline, including African Americans, Native Americans, Hispanic Americans, Asian Americans, and, in Canada, aboriginal peoples and visible minorities (as defined by Canadian legislation). The fellowship offers support for one year. Students are eligible who have completed at least one year of full-time

graduate work, intend to pursue a Ph.D., and are in good standing at their home institution. They should show evidence of academic excellence and promise of continuing achievement in music scholarship. Those in the earlier stages of the degree are particularly encouraged to apply.

[American Philosophical Society \(APS\) Phillips Fund for Research in Native American Studies](#)

The fund supports research in Native American linguistics, ethnohistory, and the history of studies of Native Americans in the continental United States and Canada. Grants are not made for projects in archaeology, ethnography, psycholinguistics, or for the preparation of pedagogical materials. The grants are intended for such costs as travel, tapes, films, and consultants' fees but not for the purchase of books or permanent equipment. The grant offers support for one year.

[Canadian Federation of University Women \(CFUW\) 100th Anniversary Legacy Fellowship funded by the Charitable Trust](#)

Other CFUW Awards:

- Canadian Federation of University Women (CFUW) Alice E. Wilson Awards
- CFUW 1989 École Polytechnique Commemorative Awards
- CFUW Linda Souter Humanities Award
- Canadian Federation of University Women (CFUW) Bourse Georgette LeMoynes Award
- Canadian Federation of University Women (CFUW) Ruth Binnie Fellowship
- Canadian Federation of University Women (CFUW) Canadian Home Economics Association (CHEA) Fellowship
- Canadian Federation of University Women (CFUW) Aboriginal Women's Award (AWA)

[Canadian Federation of University Women \(CFUW\) Elizabeth and Rachel Massey Award](#)

For post-graduate studies in the visual arts, such as painting or sculpture, or in music. This award is tenable in Canada or abroad.

[Canadian Federation of University Women \(CFUW\) Memorial Scholarship](#)

Honors those for whom the CFUW Charitable Trust receives memorial donations. At the time of application, the candidate must be enrolled in master's studies in science, mathematics or engineering. This fellowship is tenable in Canada or abroad.

[Canadian Institute of Ukrainian Studies \(CIUS\) Bayduza Postdoctoral Fellowships for the Study of Modern and Contemporary Ukraine](#)

Fellowships support research on the development of the study of modern and contemporary Ukraine. Fellows are expected to be in residence at CIUS in Edmonton, Canada, for the duration of the fellowship term, and to assist and participate in the overall program planning and activities of CIUS. Although all applications in fields associated with the humanities and social sciences will be considered, research proposals in the areas of identities, nationalism, regions, borders, social values, historical politics and memory, change, and conflict, will be given preference. The fellowship may be renewed for a second year.

[Canadian Institute of Ukrainian Studies \(CIUS\) University of Alberta Graduate Fellowships](#)

Fellowships' support research in Ukrainian studies in Canada and internationally. The fellowships are for one year.

[Dr. Margaret McWilliams Pre-Doctoral Fellowship](#)

Awarded to a woman who has completed at least one calendar year in a full-time doctoral program and is enrolled in full-time studies in Canada or abroad at the time of application

[Foundation for Food and Agriculture Research \(FFAR\) Fellows Program](#)

Three-year graduate fellowship with stipend, or one-year fellowship for professional development. Proposals can cover any topic, as long as they address one or more of the seven FFAR Challenge areas. The FFAR Fellow program is especially interested in innovative, novel, and collaborative research in food and agricultural, including all aspects of digital agriculture, phytobiome, soil microbiome, precision agriculture, and breeding technology. Fellows will have the opportunity to work with the leading industry scientists in the United States and Canada as their personal mentors.

[Frank and Brennie Morgan Prize for Outstanding Research in Mathematics by an Undergraduate Student \(AMS-MAA-SIAM\)](#)

The Morgan Prize is awarded for outstanding research in mathematics. It is made jointly by the American Mathematical Society, the Mathematical Association of America, and the Society for Industrial and Applied Mathematics. The prize is awarded annually to any undergraduate student in a college or university in Canada, Mexico, the United States or its possessions, for outstanding research in mathematics.

[Geological Society of America \(GSA\) Graduate Research Grant](#)

GSA research grants provide partial support of master's and doctoral thesis research in the geological sciences for graduate students enrolled in universities in the United States, Canada, Mexico and Central America.

[Google US/Canada PhD Fellowship Program](#)

The Google US/Canada PhD Fellowship Program recognizes outstanding graduate students doing exceptional work in computer science and related disciplines. Students do not apply directly to Google but must instead be nominated by their university.

[Government of Canada Banting Postdoctoral Fellowship](#)

Banting Fellowship supports research in the areas of health, natural sciences, engineering, social sciences, and humanities at a host institution in the United States or Canada.

[Handweavers Guild of America \(HGA\) Scholarships in Research and Artistic Merit](#)

For students enrolled in accredited programs in the United States and Canada. Scholarship funds are for furthering education in the field of fiber arts, including textile research, history and conservation; and may be used for tuition only. HGA Scholarship applicants can fall into one of two categories – artistic merit or scholarly research. Scholarships are awarded on artistic and technical excellence rather than financial need. The scholarly research category is recommended for those applicants focused on textile research, history, conservation, etc., rather than artistic mastery.

[Margaret McNamara Education Grants](#)

MMEG awards education grants on a competitive basis to exceptional women, who are at least 25 years old, from developing countries who are enrolled as full-time students for the following academic term in accredited universities in the United States and Canada, have demonstrated financial need and are committed to working for the well-being of women and children.

[Virtu Foundation Violin, Viola, Cello Instrument Scholarship](#)

Applications for violin, viola, and cello instrument scholarships on a continuing basis. Scholarship applications will be accepted from pre-professional musicians of all ages who are residents of the United States or Canada. The major criteria for awarding scholarships are: musical skill and potential; instrument need; available financial resources; availability of a suitable instrument. The Foundation has access to instruments suitable for musicians whose age, training level, skills and experience vary widely.

[Women in Medicine Leadership Scholarship](#)

Women in Medicine (WIM) awards two LGBTQ Leadership Scholarships for female medical students enrolled in their first, second, or third year of allopathic, osteopathic, or naturopathic medical schools in the United States or Canada. The scholarships are presented at the WIM annual meeting, with the expectation that the medical student must attend the conference and be present to receive their awards. Applicants should be in good academic standing and have actively contributed/demonstrated leadership for the LGBTQ community.

Scholarships for Canadian Citizens to Go Abroad

Spotlight:

[DAAD EMGIP-Bundestag Internship](#)

Offers paid internship opportunities for U.S. and Canadian undergraduate and Master's students in the German parliament, the Bundestag. The internships are two months long and we try to match the position with the student's interests and experiences. In addition to contributing to the respective offices, interns have the opportunity to study legislative and administrative procedures in the German parliament. Requires fluency in German. For students in fields such as political science, international relations, law, history, economics or German.

[David L. Boren Fellowships](#)

Boren Fellowships, an initiative of the National Security Education Program, provide unique funding opportunities for U.S. graduate students to study less commonly taught languages in world regions critical to U.S. interests, and underrepresented in study abroad, including Africa, Asia, Central and Eastern Europe, Eurasia, Latin America, and the Middle East. The countries of Western Europe, Canada, Australia, and New Zealand are excluded.

[Gates Cambridge Scholarship](#)

Graduate study at Cambridge University.

[Rhodes Scholarship](#)

Fully-funded opportunity to pursue postgraduate degree at Oxford University.

[Schwarzman Scholars Program](#)

One-year master's degree at Tsinghua University in Beijing.

[Yenching Academy](#)

Master's degree in interdisciplinary China Studies at Peking University.

[A.C. Elias, Jr. Travel Fellowship](#)

The American Society for Eighteenth-Century Studies (ASECS) A. C. Elias Irish-American Research Travel Fellowship, with \$2500 in annual funding, supports "documentary scholarship on Ireland in the period between the Treaty of Limerick (1691) and the Act of Union (1800), by enabling North American-based scholars to travel to Ireland and Irish-based scholars to travel to North America for furthering their research." Projects conducting original research on any aspect of 18C Ireland qualify for consideration, but recipients must be members of ASECS who have permanent residence in the United States or Canada or be members of its Irish sister organization, The Eighteenth-Century Ireland Society, residing on the island of Ireland. Prize winners are chosen by an independent jury of three scholars from different disciplines after each is seen by readers in the applicant's field.

[Archaeological Institute of America \(AIA\) Jane C. Waldbaum Archaeological Field School Scholarship](#)

Intended to help students who are planning to participate in archaeological field work for the first time. Students majoring in archaeology or related disciplines are especially encouraged to apply. The Scholarship Fund provides stipend to pay expenses associated with participation in an archaeological field work project (minimum stay one month/4 weeks). The scholarship is open to students who have begun their junior year of undergraduate studies at the time of application and have not yet completed their first year of graduate school at a college or university in the United States or Canada.

[Canadian Federation of University Women \(CFUW\) Memorial Scholarship](#)

Honors those for whom the CFUW Charitable Trust receives memorial donations. At the time of application, the candidate must be enrolled in master's studies in science, mathematics or engineering. This fellowship is tenable in Canada or abroad.

[Canadian Federation of University Women \(CFUW\) Elizabeth and Rachel Massey Award](#)

For post-graduate studies in the visual arts, such as painting or sculpture; or in music. This award is tenable in Canada or abroad.

[Cultural Vistas Global Internships](#)

Customized internship placement and work abroad programs for U.S. and Canadian students and young professionals for language development. Internship placements are tailored to each individual's skill set, career aspirations, and experience as determined by an interview with our staff. Summer and year-round programs are available. Language and GPA requirements for some countries.

[Dr. Margaret McWilliams Pre-Doctoral Fellowship](#)

Awarded to a woman who has completed at least one calendar year in a full-time doctoral program and is enrolled in full-time studies in Canada or abroad at the time of application.

[Canadian Institute of Ukrainian Studies \(CIUS\) University of Alberta Graduate Fellowships](#)

Fellowships support research in Ukrainian studies in Canada and internationally. The fellowships are for one year.

[The Inter American Press Association Scholarship](#)

In 1954 the IAPA established its Scholarship Fund for young American or Canadian journalists for an academic year's study in some Latin American or Caribbean country. Applicants must be natives of countries in the Western Hemisphere, journalists or students in the final year of their journalism course, be between 21 and 35 years old, be fluent in the language of the country where they will go to study. Journalism students will have to complete their university studies before the start of the scholarship year.

[International Council for Canadian Studies \(ICCS\) Short-Term Graduate Research Travel Grant](#)

The ICSS offers 4-6-week travel grants to enable master's and doctoral students to do research related to their thesis or dissertation at a Canadian university in the field of Canadian Studies. Applicants submit their applications directly to the secretariat of their national [Canadian Studies](#) association, which then submits the applications to the ICCS by November 24, 2015. Deadlines for applicant submission vary with each Canadian Studies association.

[Jamaica Field Service Project \(JAFSP\) Abroad](#)

Participating students train and work in Jamaica under the supervision of our certified professors and instructors. With over 100 participating universities in the US and Canada, the JAFSP brought volunteers to more Jamaican schools in 2019 than any other US aid organization. Apply soon for this three-credit service learning course in Jamaica. www.jafsp.org.

[Killam Fellowships Program](#)

Provides an opportunity for exceptional undergraduate students from universities in Canada and the United States to spend either one semester or a full academic year as an exchange student in the other country.

[Saltire Scholarships](#)

Scotland's Saltire Scholarships is a program of scholarships offered by the Scottish Government in collaboration with Scottish universities in the areas of science, technology, creative industries, healthcare, medical sciences, and renewable and clean energy. Scholarship offers up to 50 awards, each worth £8000, towards tuition fees for any one year of full-time study on a postgraduate master's programme at any of [Scotland's higher education institutions](#). Available for citizens from US, Canada, China, India, Japan, and Pakistan.
